PERSONAL AND LOCAL ITEMS OF NEWS

The First ward Republican club will meet Wednesday night at C. Graham's office.

Taxes collected at the county treasurer's office amounted to \$1,408.73. Disburse-There will be a Friends meeting in the

court house room at 3 o'clock p. m. to-day. All are invited. Mr. Cash M. Taylor, editor of the Sedglook at our city. wick Pantagraph, spent the day yesterday is

Wichita Cracker and Confectionery Co was yesterday put upon the windows of this

establishment in letters of gold. Arrangements are being made by a com mittee of gentlemen for a grand Christma

ball. A pleasant time is anticipated. In the case of Andrews against Nessley before Justice Hobbs, the jury gave a ver dict for the plaintiff. Tally one for An-

Mr. Nat Hamilton went to Kansas City last night to select costumes to be worn by the gentlemen in "Pearl of Savoy," Decem-

ber 18 and 19. Street Commissioner Neeley was doing a good job yesterday putting in a new side walk from Clayton's billiard hall and re-

taurant to the Sauta Fe track. John Kennedy has secured a partner who is a fiddler. They intend to take Kennedy's trained Mexican dog and go on the road. This new combination expect a good season and they will probably have it.

mus is declined. It would seem from his say that he is a much abused man, but the columns of a newspaper is not the place to

Mr. John N. Isgrig, of Pueblo, Colorado, is in the city visiting his old friend, L. P. Douglas, the druggist. Mr. Isrig was formerly a partner of Mr. Douglas in Marshall, Missouri, and they are now playing the grand drama of Jonathan and David.

A rumor has somehow gained currency that Ad. N. Jones, the efficient agent of the Sunflower, had sent in his resignation. An EAGLE reporter called on Mr. Jones yesterday to ascertain the facts. Mr. Jones replied that he had not even thought of such a thing.

The comrades of Garfield Post No. 25, are requested to meet at headquarters at 7 o'clock | the in this city. p. m. sharp, on Tuesday, December 9, 1884, for the purpose of attending the lecture of Comrade Buckner, at the Presbyterian church. By order of the

POST COMMANDER. many of the cess pools and slop receptieles of this city are in so bad a condition that it is no wonder that malarial fevers prevail. The board of health should make 2d division of the 20th army corps at the a raid and inaugurate a general clear- battle of Chicamagua.

Mr. G. A. Seldomridge, of Pratt Center, who is not only one of the leading real esprising and intelligent gentleman, has been spending two or three days in the city. The Eagl. office turned him off a lot of fine job relief fund. work and blank books. Mr. S, left for home by last night's express.

report, which shows the standing of the scholar for either of the three terms of the year. This report is to be scanned by the parent and signed so that there can be no misunderstanding. The report also has a misunderstanding. The report also has a misunderstanding for the heavy and the parsonage to-mortowevening.

Services to-day at the usual hours at the Baptist church. Dr. Phillips of the Methodist church will preach at 11 a.m.; Mr. Harper at 3:30 p. m. Strangers in the city taining suggestions that all should heed.

The management of our Opera house would confer an incalculable blessing upon the patrons of that popular temple of amusement by exercising greater care in bers of the G. A. R. of this city, on the exercising greater care in bers of the G. A. R. of this city, on the exercising greater care in bers of the G. A. more is said greater than a madered or more is still greater than the co. of raily from his surprise, Col. M. Stewart arose and said.

Cotonoxi, Memoore.—The Republicans of this grand oid party in the past, and especially in the recent campaign, have invaded your sanctum, and in your absence spread upon its floor this carpet and sofa. They have deputed me to present you with it, along with their kinetic present you with it, along with their kinetic present you with it, along with their kinetic regards for your welf-re, and their best wishes for your future prosperity.

Mr. Murdock in substance replied:

Gentlemen and or so others to morrow morning, and what can you expect of me as so short a notice worthy the name of a reply or acknowledgment? With whatever else of powers my natal hour may have endowed me, there is one thing sure, it cut me short on tongue. I ame, san, not tongue, and but for the tons of lead pencils worn out in telling the world how little I know, I never it for your welf-re, and their present to the principles of our party, wisch, are etermined the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles of our party, wisch, are eterminant with the principles -A. F. Horner came down from Topeks

MR. CHAIMAN AND FILLOW CITIZENS.—Ha your leave I embrace this opportunity to offer y ribute of respect to a service that has so long and taithfully labored in, that most trying capacity, an e-diornal advocate of the general interests of this new and wonderful country. I have been a close render of the Wichita EAGES since it first plumed its wings in 1872 of this orest American Desert. It has ever been a discovered the wighten exponent of the excelences of the county of Sedgwick, of the rise and development of the city of Wichita. It has ever sloud a teariess and faithful monitor over the Interests of both. No menace to their prospectity or welfare has escaped the vigilence of its local of its editorial and selected matter has eagrafted it upon the confidence and expited character of its editorial and selected matter has eagrafted it upon the confidence and respect of its readers at home, and the admiration and esteem of those abroad. Its trancendence as a weekly organ is only parelleled by its new fledgling, the DALLY EAGLE-A maturity in its birth-a thirty-six column daily, issued in an agricultural city its and abroad, the events of our hemisphere of yesterlay and last night are served by it fresh on our breakfast table his morning. It is the air the respect to ight, through the mists of morning radiating through the sal line promptings of a sincere graftinde birds as say of it. It has ever stood ancatrenched sensinel, the vanguari of the patriotism of our county whenever associated to prompting the patriotism of our county whenever associated the patriotism o -Miss Ida Smith, an accomplished steno ing their ferrs. Nor is this all the prompting of a sincere gratitude bids us say of it. It has ever stood an eatrenched sentinel, the vanguari of the patriotism of our county whenever assailed by an opposition, either in open phalanx, or base sedition, its notes of warning have rung out clear upon the free air of wanners, calling the lakewarm todaty and the recreant to shame. No derilection of odicial duy at home has escaped the vigelence of its puritying criticisms, nor has it feared to commend the right less than to condemn the wrong. It is both the honor and the glory of this commonwealth to be re-resented to the hails of our national councils by true and connected men. They have ever received the sustaining indusers of its labors in their good work, and although the national goal of its labor is not, the britinant tricingh of our commonwealth, and especially the county of seegawick, to which its duties more especially belong, are no re than futi of inspiration, to combine the first of the efficiency of its labors in the past, and of courage in the subtime promise of the rightness. And of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness and of courage in the subtime promise of the rightness of to-morrow, to a final consummation of its most sanguine keeps.

way a great load can be taken off the conuty and people will receive an ausement and which dedicated to its life our marty red is large. The Clifford dramatic combination drew another large and thoroughly well pleased audience in "Davy Crocket" last evening. The number of amusing and startling situations that abound in this popular drama, received ample justice at the hands of the pepular artists of the company whose efforts were received with continual bursts of appular dramatic and the properties of the company whose efforts were received with continual bursts of appular with and a pull most with another the continual bursts of appular with another the continual bursts of appular with another the control of the properties of the company whose efforts were received with continual bursts of appular with another the control of the company whose efforts were received with continual bursts of appular with another the control of the company whose efforts were received with continual bursts of appular with another the control of the company whose efforts were received with continual bursts of appular with another families in this indicate the fire of the land instruction for their money. There are many old soldlers and their families in this indicate the land in the properties and their families in this will be done." The Clifford area that all the same partic to the

ular artists of the company whose efforts were received with continual bursts of appliance and vigorous calls before the curtain.

John Kennedy played a good joke on a dentist yesterday. He complained of having a terrible toothache and went into a sallon on Douglas avenue, holding his hand on his jaw. A man came to him and said he was a dentist. He looked into Kennedy's mouth and placed his finger on the alleged bad tooth, when Kennedy shut down on it, and it was amusing to hear that dentist how!.

Professor Campbell, the superintendent of our city schools, has gotten up a new blank
